

IN THE CLAIMS

This listing of claims will replace all prior versions and listings of claims in the application:

LISTING OF CLAIMS:

1. (Currently Amended) A waterproof structure of a tent floor link which is assembled to the corner portion of a tent set up with poles, comprising:
 - a first receptacle which is formed by folding the corner portions of tent fabric in ~~the~~an inner direction of the tent;
 - a second receptacle which is formed opposite to said first receptacle in ~~the~~a contact part where a first floor link which is sewn to ~~the~~an outer wall surface of ~~the~~a corner portion of tent fabric and a second floor link which is sewn to ~~the~~an outer floor surface meet;
 - a waterproof-coated member which is fixed by a plurality of sewing lines, after both ends are inserted into said first receptacle and second receptacle; and
 - a waterproof tape which is attached to the sewing line sewn to the first receptacle while shielding ~~the~~an inner surface of tent fabric.
